Chapter 1

Guys all credit for the cover goes to xSilversplashx.

I woke to a warm bright day, I missed my parents and wished they had never given me to one of the guards. I was being carried away in the jaws of the guard, I swung helplessly while he ran towards the kingdom which was now my new home.

A few years later and Dreamingwillow being brainwashed and she doesn't know it.

I woke up with a yawn, I was laying on my silk covered bed when a voice came from the other side of my curtain door.
"Dreamingwillow come on its time to address the public to tell them of our plans I expect you to dress like a queen since you are the princess," Queen PoppyDawn said, she popped her head through her golden crown sparkling.
"Ok coming," I said getting up, I went to my dressing room. I started to sort through my dresses to see which one would be best, suddenly I jumped and turned to see my brother. I growled and tackled him, I bit his ear playfully.
"Heh take it easy sis," he said nipping my ear then pushing me off, I smiled at him.
"You never change your tricks do you brother," I said, I flicked his ear with my tail.
"Nope now hurry mother is waiting," he said padding out, I quickly put on my best dress and went out of my room. I walked down the hallway, I got to the front door. I opened it and padded out to see the large kingdom gathered, I sighed then smiled and joined my mother and brother at the throne. I saw at the back a wolf with a mask over his head was getting taken away, I was curious and debated on weather or not I should follow.

Hey guys what do you think about this for the first chapter.

Chapter 2

I padded down to the dungeon to see the new prisoner, I got to his cell. He looked at me, his blue eyes staring into my red ones.
"And how did you end up here?" I asked.
"Hmph," was all he said, I growled.
"You dare not answer a princess," I growl, one of the guards came over.
"He giving you trouble your majesty?" He asked.
"No but see to it he gets fed like the public does, he might turn into a strong guard," I said, the guard nodded and the White wolf looked at me in confusion.
"Why do you feed me as if I was one of the public?" He asked.
"Because no one deserves to starve prisoner or not," I said, his gaze turned to a brighter as a guard came back with a good sized meal.
"Thank you princess" he said a smile came to my face.
"May I catch your name?" I asked.
"My name is BlizzardFang," he said before taking a bite of his meal.
"I am princess Dreamingwillow," I said, he nodded.
"Princess the queen requests your presents," a guard said, I nodded.
"I will be there shortly, well it was nice meeting you BlizzardFang," I said.
"Nice meeting you too," he said, I padded back to the castle. I entered my mothers room, she was sitting on her bed.
"Good you came," she said.
"Of course I did," I said.
"I want to give you this necklace," she said, she put it around my neck. I looked down at it, it was very pretty but something about it felt wrong.
"Thank you mother," I said.
"Anything for my pup," she said.
"I better go," I said, she nodded.
"Of course be good and be safe," she said, I padded out.

Hey guys sorry for not updating I have been busy since my town has flooded and the water is still rising.
